## Help Us Design Webinars to Support Private Sector Partnership Growth In the Forest Service

| Project Title | Help Us Design Webinars to Support Private Sector Partnership Growth In the Forest Service   |
|---------------|--|
| FICIECI       | Organize and plan series of informative and practical webinars on how private sector organizations can collaborate and partner with the Forest Service to promote forest management, recreation, and watershed conservation activities nationally. |
| Country       | United States  |

## **Project Description**

The National Partnerships Office (NPO) organizes monthly sessions for the Forest Service partnership network to address issues that help build public-private sector cooperation. The duties of the eIntern will include but are not limited to: organizing presentations on topics related partnerships opportunities, researching corporate social responsibility initiatives, and analyzing policies for streamlining privates sector engagement.
